Home-Made recipes that are easy to make and non-toxic to your garden.

Fruit Tree Insect Spray

Ingredients:

- 1 cup of vegetable oil
- 1 tablespoon of dish detergent

Instructions:

Make a spray mixture by mixing 1 to 2 teaspoons of the mix above to 1 cup of water in a spray bottle. Shake well. Spray both sides of leaves to the point of runoff

Control the earwig

Ingredients:

- 1 cup of vegetable oil
- 1 or 2 tea spoons of soy sauce

Instructions:

Fill a small cup or saucer with the vegetable oil. Place one or two tea spoons of soy sauce in the oil and stir it in. Place the trap at the trunk of your tree or next to your vegetables. The earwigs will crawl in the oil and die.
